Vianney DINNER

supporting the
Seminarian Education Endowment

BACKGROUND & PURPOSE:

Named after Saint John Vianney, the patron saint of parish priests, the Vianney Dinner will raise financial support for the Seminarian Education Endowment at the Catholic Foundation of Arlington.

The Seminarian Education Endowment provides funds for the education and formation of men studying to become priests serving the people and parishes of the Diocese of Arlington.

The dinner will provide a meaningful opportunity to connect with seminarians, gain insights into vocation promotion, and learn about the transformative seminary formation process.

Held in late July each year, the dinner will allow seminarians home for the summer to participate. In this way, the benefactors, priests, deacons and volunteers who support the seminarians will have an opportunity to meet and greet as many as possible.

Benefactors will be asked to purchase sponsorships and tickets. The goal is to raise \$250,000 in additional contributions for the endowment.
